Carbon Gold Glow Technology is instantly hot and brings warm soothing comfort to any space. Your Multi Max Gold saves you money by turning down your household thermostat and zone heating the rooms your live in the most.

1. Congratulations:

Your new Multi Max Gold includes a carrying handle, is easily portable from room to room, and is ideal for transitional heating. Your new Multi Max Gold features Carbon Gold Glow technology and has been designed to keep you warm and cozy with a fascinating, warming, golden glow.

2. Operation:

1. Place your Heat Surge Multi Max Gold on a firm level surface free from obstructions and at least 3 feet away from any wall or combustible materials.
2. With the selector knob in the OFF position, plug the heater into the power outlet.
3. Turn the control knob to either (I) for 600 Watt or (II) for 1200 Watt.
4. Turn the selector knob to the OFF position and unplug the unit when you have finished using it.

3. Your new Heat Surge Multi Max Gold technical data:

Description	Rated Power	Voltage	Frequency
Multi Max Gold	1200W	120V	50Hz

Rated Power Stages:
I. Heating Stage 1 600W
II. Heating Stage 2 1200W

4. Safety:

The Heat Surge Multi Max Gold is not designed for use in bathrooms, washrooms or other damp areas.

WARNING: The air outlet area and grilles of the unit must not be covered or near curtains or blankets. Keep a clear space of at least 3 feet around the Multi Max Gold at all times.

Children or persons who lack knowledge or experience with the Multi Max Gold or who are restricted in their physical, sensory or mental capabilities should not use without supervision or instruction by a person responsible for their safety.

The heater is equipped with a safety tilt switch which automatically shuts off the heater element if the heater is not in the upright position, the heater will resume back to normal when the heater is returned to the upright position.

5. Care and Maintenance:

Disconnect the Heat Surge Multi Max Gold from the power outlet before cleaning. Wait, if necessary, until it has cooled to normal temperature. Clean the vents and intake with a soft brush or vacuum.

The unit can be wiped off with a soft, dry cloth. If heavily soiled, use a slightly damp cloth. Do not use abrasive cleaners.

6. One Year Limited Warranty for New Units:

Your One Year Limited Warranty applies to replacement of product found to be defective in material or workmanship. This warranty does not apply to damage resulting from commercial, abusive, unreasonable use or supplemental damage. Defects that are the result of normal wear and tear will not be considered manufacturing defects under this warranty. Heat Surge is not liable for incidental or consequential damages of any nature. Any implied warranty of merchantability of fitness for a particular purpose on this product is limited in duration to the duration of this warranty. Some jurisdictions do not allow exclusions or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction. This warranty applies only to the original purchaser of this product from the original date of purchase.

At its option, Heat Surge will repair or replace this product if it is found to be defective in material or workmanship. While within

the warranty period, defective product may be returned to Heat Surge.
